### **RFP #16-004-64 SENIOR SQL/ETL APPLICATION DEVELOPER (Shelby County Trustee)**

TO ALL PROSPECTIVE BIDDERS:

The following question was submitted by a potential vendor. Our answer is listed in **red** below:

1. We are in receipt of the RFP referenced above and have one question. Section II. Minimum Proposer Requirement, some of the items listed appear to be very specific and we are asking if this is for an incumbent position? For example, #7. Five (5) years' experience working with the Trustee's legacy collection software, etc., and again in #10. It would appear since you are requiring this specific experience that this may be written for an incumbent. Please advise.

**"The Trustee's Office is seeking an experienced Application Developer with the skills identified in Section II, Minimum Proposer Requirements."**
